Elections Over * What is Next?

In keeping with our tax-free status as a non-profit we did not provide any advice or endorsements in the prior election and the sweeping changes across our nation were outside of our voting jurisdiction anyway. The pro-gun representative from Arkansas won in our district, that is, the district of 90% of our club members.

So what does this mean for the future? For one thing, it may mean voters across the country believe the Democrats have learned their lessons about being anti-gun. That remains to be seen. It may mean we go back to the old scare tactics of the past and infringing laws.

Whatever it means we must stay the course and continue to fight for our rights as gun-owners because no one, and I mean no one, is going to fight this fight for us and you can be assured the anti-gun factions that were out there are cheering these results wildly and they are believing it bodes well for their cause.

Locally, here in Arkansas, it has been very favorable because state senators, local representatives and even our Democrat Representatives in the other 3 districts have been typically pro-gun with few exceptions. However, the fight is not generally waged in these rural states but by the big city areas where gun violence is so prevalent. Never mind that gun control has never worked, they still are bent on seeing to it that only criminals are allowed to have guns. Stay tuned and keep your stick on the ice.

Dear Old Fort Gun Club,

We would like to thank you for assisting us with the Sebastian County 4H Fall Turkey Shoot Fundraiser held September 30th at OFGC in Van Buren. We could not have done this without the use of your facilities and the assistance from the OFGC volunteers.

With the support of clubs like yours, the kids were able to experience a shared love of the shooting sports. The kids had a wonderful time and were able to meet so many supportive people. We were able to raise \$400 which will assist us in providing equipment, ammunition, team shirts, entry fees, etc. for the Sebastian County 4H Shooting Team.

Thank you again,

The Sebastian County 4H Shooting Team

Sporting Clays

What a year it has been. The club bought Sporting Clays a new trailer and clays. Because of this many shooters have come out each month. We also had several special events this year, Boy Scout Camp-O-ree, Father and Son shoot for Nothridge Baptist Church in Van Buren, and a 4H Turkey Shoot. What fun we had.

October shoot was our last shoot of the year. We only had 27 shooters, the count was down because it was opening day for deer hunting and Home Coming for the Hogs. We still had a great time. We shot report pairs in the morning and true pairs in the afternoon.

We had a great potluck lunch and the weather was super.

I gave out some special awards to our Youth Shooters. Each one received a plaque.

1 st Place Over-all Youth	Jonathan Parks
2 nd Place Over-all Youth	Tyler Robbins
1 st Place Younger Youth	Tanner Robbins
Most Improved Shooter	Tyler Robbins

Tyler improved his average score from 26 in 2005 to 34.5 in 2006 that improvement of +8.5 points.

Other improved shooters are John Cross by 6.75, Gayle Mason by 6.57, Johnny Cole by 6.37, Johnathan Parks by 5.57, Clark Keck by 5.13 and Tim Parks by 4.17.

A Big Thanks to everyone that helped set-up and tear down. We could not do it with out your help.

Thanks Shooters,
Johnny Cole
