# ARKANSAS SECTION MULTI GUN CHAMPIONSHIP

OFGC has once again been selected as the host club for the Arkansas Section Multi Gun Championship match. Last year, we hosted about 80 shooters, representing 12 different states, from Florida to Washington State. Taran Butler, one of the top five international shooters, came from California to shoot this match. This 3 day match will see nearly 25,000 primers go off, sending lead downrange.

**Set up for the match will start on Wednesday, October 27, with teams shooting on Friday, Saturday and Sunday, October 31. The River Range will be closed during this time, but everyone is welcome to come out and watch some of the best in the country (as well as me and others like me) switch from handgun to shotgun to rifle as the seconds tick by.**

Bruce Bethell, — Practical Pistol Director

## OFGC New Patch

Did you know that we have a new Club patch? Our design team, took a couple of things off and added a couple of shooting sports clip art. The patches are only \$5.00 each and can be purchased at the club meetings.

Buy a patch and wear it to show that you support First Amendment Rights and you belong to a local gun club.

## Youth Firearm Safety Day-recap

It was Hot! But we had a good group of kids turn out and they had a ball. Several parents expressed their appreciation to those teaching safety and those working on the firing line. Because of the heat we cut the group instruction to a minimum and did more hands on as it was needed. Many rotated through several times because we had enough stations to accommodate the 20 kids that came. Thanks to all who worked to make this a great event.

Wesley Shelly — Youth Firearm Director

## Sporting Clays

Only two months of shooting left and we are still got a few tricks up our barrels. Bringing back the double rabbits next month and in October we are looking at a small gauge fun match. If you do not have a 20 or 28 gauge shotgun that's ok you can still shoot. Someone said the other day that if you shoot a small gauge you have a disadvantage, well we will put that to a rest. We are asking everyone to bring out their small gauge gun and let's find out. We just might have some special prizes and awards.

Shooters will also be able to shoot a second round in October for only \$5.00 if you stay and help tear down, Also we will be giving away a new shotgun to someone that has helped during setup. The list is long with helpers but in names are short. Most of our helpers are the same 5 or 6, month after month but couple of months we had many. If you helped you could be our next winner.
